### **10. RESPONSIBILITY STATEMENT**

The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be exercised when the Directors believe that such repurchase of Shares will benefit the Company and the Shareholders. An exercise of the Repurchase Mandate in full may have a material adverse impact on the working capital and/or gearing position of the Company as compared with the position disclosed in the Company's published audited accounts for the year ended 31 December 2020. The Directors do

---

not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital requirements or the gearing levels of the Company. Accordingly, the Directors recommend that Shareholders vote in favour of all the resolutions set out in the Notice to be proposed at the Annual General Meeting.

### 12. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

### 13. LANGUAGE

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully  
On behalf of the Board of  
**Tian Chang Group Holdings Ltd.**  
**Chan Tsan Lam**  
*Chairman*

*The following is the explanatory statement which is required to be sent to the Shareholders under the Share Buy Back Rules in connection with the Repurchase Mandate.*

## **1. LISTING RULES**

The Listing Rules permit companies with a primary listing on the Stock Exchange to purchase their securities subject to certain restrictions.

The Listing Rules provide that all proposed repurchases of shares by a company with a primary listing on the Stock Exchange must be approved by shareholders in advance by an ordinary resolution in a general meeting, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

## **2. REASONS FOR REPURCHASE**

The Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchase may, depending on the market conditions and funding arrangement at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders.

## **3. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 620,000,000 Shares.

Subject to the passing of the Repurchase Mandate, the Company would be allowed to repurchase Shares up to a maximum of 62,000,000 Shares on the basis that no further Shares will be issued or otherwise repurchased and cancelled prior to the date of the forthcoming Annual General Meeting.

## **4. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles, the Listing Rules and the applicable laws of the Cayman Islands.

Taking into account the current financial position of the Company, the Directors consider the repurchase of Shares in full at any time during the proposed repurchase period may have a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the published audited financial statements as at 31 December 2020, but the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse impact on the working capital or gearing ratio of the Company.
