The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company and potential investors that based on the preliminary assessment by the Board on the unaudited consolidated management accounts of the Group for the six months ended 30 June 2019 and the information currently available to the Board, the Group is expected to record an increase of not less than 14.5 times in net profit for the financial results for the six months ended 30 June 2019 (the “**Reporting Period**”) as compared to the financial results for the six months ended 30 June 2018.
